The following list provides a description of the changes made to the publication since the original version was printed.

1. On the left-hand side of (3.3), it should be
$$\sqrt{m}(\hat{X}_{tls} - X_0).$$
2. On the left-hand side of the formula below Remark 11, it should be
$$\sqrt{m}(\hat{X}_{tls} - X_0).$$
3. In the text below (4.11), instead of "zero expression" it should be "zero expectation".
